My comments. Please let me know if you would like to discuss. I put some comments in the document about the evergreen provision.

Thanks.

Subject: PROJECT AGREEMENT - 37

Project Agreement 9rev022103.d...

On the sheet, this was referred to as PA 9. PA 9 expired 12/31/02 and I felt it easier to create a new project agreement instead of amending the old one since there were more things changing besides time and money.

Looking forward to your comments.

Thank you,
